LIMITED ANNUAL RELEASE

HEDONISM 2026

A radiant evolution of Hedonism, where antique sherry and bourbon casks converge. As the label's artistry is reimagined with each release, so too is the character within. For this year's Hedonism, we were captivated by the interplay between the old parcels of Port Dundas in refill sherry and the more traditional first-fill bourbon that Hedonism is known for.

FLAVOUR PROFILE

Antique sherry enriches Hedonism for the first time, imparting newfound depth to its hallmark golden heart. Drawn from some of our oldest silky grain whiskies, the blend reveals layers of caffè latte, butterscotch and orange cream, evolving into fine wood sugars, nougat and hazelnut, with a final flourish of milk chocolate indulgence. Elegant and poised as ever.

SERVING RECOMMENDATIONS

Pair with silky Parma ham and fresh pear for a refined, savoury offering. Sweet and salted popcorn brightens the whisky's aromatics, while chewy stroopwafel amplifies its spice and caramel. For the ultimate foray into all things Hedonism, pour slightly chilled into a large wine glass and pair with coffee & walnut cake.
